## Summer Picnic

On Saturday, September 13<sup>th</sup> the Winona Woods Neighborhood Association will host its first summer picnic from 12-5 (rain or shine) on Winona Blvd between Chestnut Hill and Chapel Hill.

The association has scheduled two food trucks, Marty's Meats and Eat Me Ice Cream from 1-4. Meal tickets will be sold in advance at meetings and via your street captains. The cost will be \$10 for adult meals and \$5 for children meals. In addition, the association will sell 50/50 raffle tickets and baked goods in as well as host children's games. **If you are willing to help with any of these efforts please or donate a baked good click [here](#) to enter your name onto our list.** Be sure to check out the official invite included in this newsletter to see what else we're planning.

## Music:

We're building a playlist for the picnic and we want to know who you want to hear! **Submit the name and artist of your favorite family friendly song right [here](#) and we'll see if we can get it on the playlist!**

## Greenlight Networks

Currently, all Greenlight customers fall into four categories they are as follows: wired and connected, on hold for underground construction permits, on hold because your street needs additional sign ups, or on long term hold. If you registered for Greenlight Installation by completing BOTH online forms you already have an e-mail in your inbox which tells which one of these categories you are in.

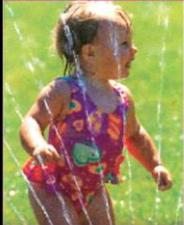

If you have any other questions, comments or concerns. Please do not hesitate to reach out to or Greenlight Chair Jeremy Morgante at [contact@winonawoods.com](mailto:contact@winonawoods.com). If you are unsure of your category please include your address in the email and we can get that answer for you.

As for the streets on hold due to low installation schedules, we will be working to boost those numbers over during the remainder of the summer. You will be hearing more about that from Jeremy if your neighborhood is affected.

For those of you new to the newsletter, Greenlight is high speed, low cost fiber optic internet service. The speeds of Greenlight average out to be much faster than those of Time Warner but for about the same or less cost. You can find out more on their website [www.greenlightnets.com](http://www.greenlightnets.com). It appears at this time that installation registration for round one is closed. We will work to keep residents up to date as to how to get on the list for the next installation round when the information is available.

## Bike & Bite

In order to capitalize on the success of the Good Food Collective in Winona Woods. Jen Sally will be organizing a Bike & Bite Fundraiser for the association to benefit our street tree initiative. 7 GFC participants will create a dish inspired by their GFC share. The host will then divvy this dish up into small "bites". Over the course of the evening the group of 20 riders will meet at a given location with their bicycles and then visit each host at their homes according to the route set by Jen to sample each bite as in the fashion of a progressive dinner. Riders will also get recipes as well as learn how it is prepared. The last stop will feature a complementary sampling of craft brews and wines.

The event will take place on Wednesday, August 20<sup>th</sup> at 6:30. Tickets are \$10 per rider. Registration is now open to all WWNA members as well as their friends and family. To sign up please [click here](#). To view the Bike & Bite Promo Video please [click here](#). Questions? Contact Jen Sally at [jsally@gmail.com](mailto:jsally@gmail.com)

## Bike Parade:

## Website & Email Changes

Over the next few weeks Winona Woods will be transitioning to its permanent home at [www.winonawoods.com](http://www.winonawoods.com). You'll see that our new website is cleaner, and easier to find on the web with a shorter address. A redirect will appear shortly on the old website to help anyone with an outdated bookmark find their way. In addition to this, we will be dropping our Gmail address in order to create a more consistent platform. Our new address will be [contact@winonawoods.com](mailto:contact@winonawoods.com). Please update your address books!

## Coloring Contest:

The WWNA is sponsoring a coloring contest for the neighborhood kids 12 and under. The winner will be announced at the picnic on 9/13. He or she will receive a ride on a fire truck courtesy of the St. Paul Blvd. Fire Dept. Due to the nature of this prize the winner must be present at the picnic. For complete rules see the entry form attached to this e-mail.

## Imagine It! Recycling

The WWNA will be collecting electronic waste such as used cell phones, cameras, printer cartridges and 3D glasses among others items ([find a complete list here](#)). ## **Irondequoit Community Cupboard:**

At the July meeting we had a visit from the Irondequoit Community Cupboard. During which time the president, Debbie Evans told us of the growing need for donations and volunteer at the ICC. Debbie also shared the ICC's efforts to supplement canned and boxed foods with fresh produce. To accomplish that goal the ICC suggests planting an extra row in your vegetable garden and donating that produce to the cupboard. You can learn more about the ICC [here](#).

## **HIPP:**

At the August meeting Jeff Goldblatt joined us to talk about Helping Irondequoit Plan for Progress (HIPP). He told us about the work that was done by HIPP at the Copper/Titus/Hudson intersections over the past few years in order to redevelop the area into a town center. Jeff also commented on the current state of affairs at Irondequoit Plaza, highlighting where improvements need to be made. If you would like to join the HIPP mailing list, you may do so by contacting Ann Burns, Jeff's co-chair who would be happy to include you on future mailings. Her email is [annsewn@aol.com](mailto:annsewn@aol.com)

## **WWNA Inbox:**

## *In The Spotlight*

If you visited Winona Woods during the Irondequoit Art Trail this year you might already have met Howard Beatty. Working at "it" for about 35 years, he and his wife Judy owned a gallery (The Queen's Head and Asparagus) on Park Avenue in the early 1990's while they both worked at Kodak. Retirement became an option in early 2001, and in 2004 they moved to Florida where Judy hated it; Howard didn't. Consequently, they returned to Rochester and landed on Winona Blvd. Their lawyer described it as , "Moving to God's Country". During the past 35 or so years, hundreds of paintings have been created using various

styles as a training device, resulting in a great group of Picasso's, Cezanne's, Gauguin's, Van Gogh's and others while simultaneously painting scenes from around the house. Recently, Winona Blvd. and the Irondequoit neighborhood have become favorite topics. In October of 2013 Howard Beatty had a one man show at the local I Square Gallery, and continues to show there when the opportunity presents itself. What a wonderful addition Howard is to our community.

For all those of you who might be looking for a piece of Howard's work Mr. Beatty will be hosting his second annual Driveway sale on **August 22 and August 23** at 460 Winona Blvd (corner of Winona and Parkside) from 9 AM to 5 PM each day with all paintings on display and for sale at reasonable prices. Howard would like you all to know what a pleasure it would be to see you on those days and would love to see some of these paintings go to a good home because there's nothing like original art on the wall.
